BIG PRICE IS PAID FOR STEER ON HOOF

Live Stock Show at Lewiston, Idaho, Proves to Be a Great Success.

Special to The Tribune. LEWISTON, Idaho, Dec. 11.—One dollar and five cents per pound, or the third highest price that was ever paid in the United States for a beef steer, was paid today at the Northwest livestock show in Lewiston by E. H. Stanton of Spokane, representing the firm of Stanton & Co.

The steer is the grand champion of the show and weighs 1460 pounds and will bring its owner, Robert Jones of the Big Hole basin, in Montana, \$1533 on foot in Lewiston. In commenting on this Hereford steer, Mr. Stanton said: "I have never before seen a steer about which I could not find some blemish. This one is an exception and wholly without a fault and I was willing to pay the price."

The above sale is merely indicative of the interest that was manifested by the representatives of the well-known packing firms of the entire northwest who had come to Lewiston to bid on the prize livestock. In every department good prices were brought on cattle, sheep and hogs. The prize cattle were sold at prices ranging between \$3.10 per hundred weight and \$4.00, the latter quotations ranging between \$6.40 and \$6.55 per hundred weight. Hogs sold at prices ranging between \$3.10 and \$3.25 per hundred weight, and sheep between \$2.10 and \$2.25 per hundred weight.

Today was Spokane day and was celebrated by a large excursion of business men from the Power city. The biggest event of the day was the monster livestock parade held this morning in which the prize stock was exhibited on the streets. The parade is considered to be one of the largest livestock parades ever held in the west.

An event that created considerable interest was the community four-horse contest in which there were four entries. George M. Wilson's team of Belgians was given first place, the community team of the Pullman Company second, and the team of J. L. Wilson of Spokane, third.

HABEAS CORPUS WRIT.

Mrs. B. M. Trainor May Get Out of Idaho Reform School. Special to The Tribune.

BOISE, Idaho, Dec. 11.—The supreme court granted a writ of habeas corpus to compel J. H. Humphries, superintendent of the Idaho state industrial school at Pocatello, to show cause why he should not liberate Mrs. B. M. Trainor, the former Adeline Hansen, from that institution where it is charged she is being unlawfully detained and is not entitled to join her husband to whom she was recently married. Superintendent Humphries is required to appear before Judge James M. Stevens of the Sixth judicial district court December 12 to show cause why he is holding the girl.

Mrs. Trainor, 17 years of age, was for some time an inmate of the industrial training school. She met Trainor, a train inspector, at Pocatello and they became engaged. Just before their marriage Mr. Trainor was called away from Pocatello on business. During his absence the officials of the probate court of Blaine county took the girl in charge as a delinquent and she was committed to the school. She made her escape, two days later going to Idaho Falls. From there she communicated with Trainor who came on to that city and they were married.

STOMACH UPSET? SOUR? "CASCARETS"

Gently Cleanse and Regulate Your Stomach, Liver and Bowels While You Sleep.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach; the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any. Try Cascarets; they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too. (Advertisement.)
